

BORDER COUNTY NOTES

CARROLL

James Madison and daughter drove their team into an open culvert Saturday March 28 and were nearly drowned. Neighbor's came to the rescue and by hard work got them out of the draw which was running full of water.

Walter Bekemeier of Norborne fell from the roof of his home to a granitoid walk 12 feet and escaped with only a few bruises. The boy was climbing the house for his amusement.

Frank Moore a lineman for the telephone company at Carrollton was killed at Carrollton when his neck touched an electric wire carrying 1100 volts as he was repairing the telephone line. No one knew just how the accident occurred but he was electrocuted while at work. The current was turned off the wire and the body was brought to the ground.

Will T. Runyan has been appointed postmaster at Norborne to succeed Roscoe Dean whose term expires April 15.

Walter Franklin Recob died at a hospital in Twin Falls, Idaho, March 21. He had been sick of liver trouble for a year or more. He left Rosworth ten years ago and later going to Idaho. He leaves his widow and a son.

A letter from Seattle reports that G. W. Thomas is very ill. He was stricken recently with dropsy and other ailments. He and wife have been visiting all winter with relatives at Seattle.

Ralph Robinson of Chillicothe and Miss Elizabeth Clark of Marceline were married by Rev. Hanna at the M. E. parsonage at Carrollton, Monday, March 30.

The management of the Star theatre has given the use of the theatre to the firemen April 13 for the purpose of giving a benefit performance for the department to secure a new wagon.

W. H. Henderson and Miss Flora E. Barrier were married at the Baptist parsonage April 2 by Rev. Wood. They will live in Combs township.

LIVINGSTON

The will of the late Reuben Hawkins was filed for probate. The administrators, Frank and R. Hawkins gave bonds for \$1500.

The \$35,000 of bonds issued for school purposes have been sold and it is expected that the money will soon be available for building the Highview school and repairing the high and grade schools at Chillicothe.

A Brookfield baseball team met the Business College at Chillicothe today for the first game of the season.

Harry White, aged 25 years, died at his home at Wheeling, April 1, of tuberculosis of the hip after an illness of more than a year. He is survived by a wife and child.

Andy Peery who accidentally shot himself at his home at Lock Springs, is in a dangerous condition. The shot took effect in his stomach. Peery is well known in this country where he came frequently to buy stock.

Word has been received from New York that George Coleman formerly of Chillicothe committed suicide there a week ago. It is understood that he had several operations for cancer of the face and became discouraged over his condition.

Pat and John Hogan have sold their farm of 120 acres northeast of the town of Chillicothe to William Lyons for \$15,120.

H. M. Sieberling was reported last week as being in a serious condition of health. He had

MACON

Arthur Gregory who was so seriously injured awhile back at a mine is improving rapidly and soon will be able to be out again.

The case of Wilson vs. Hart is brought to this county on change of venue from Monroe to Randolph and from the latter county to this place. The costs already foot up over the \$500 and the case has not yet been up for trial.

The estate of the late W. R. Morgan of Bevier goes to his widow for life and then to the children, excepting in the case of one child who gets her share at once.

Roscoe Wiggins and Miss Carrie Roach were married by Justice Greer, March 28.

Newton Switzer of Jacksonville and Miss Ruth Wine of Excello were married March 30 by Rev. Heifner at Macon. They will live on a farm near Jacksonville.

The county superintendent of schools is distributing diplomas for punctuality of attendance and grades to the various members of the county schools who are entitled to them. They are presented as the school year ends for each person meriting the reward.

The ladies of the D. A. R. are returning the money for the tickets for the Prosser lecture as Prosser could not make a date for his appearance. They expect to provide a suitable lecture later on.

Will V. Cook intends to prosecute his son-in-law, Emerald Long who is charged with making a false affidavit in order to marry his young bride. Long's bride is staying with him in the fight and Long has decided to put up the best fight possible.

Marriage licenses: — Garrett Newkirk, Gladys McCollum, Goldsberry; Thomas B. Davis, Alice Peters, Ethel; William H. Simmons, Mary Ashlock, La Plata; Charlie M. Crawford, Alice Crawford, Clarence; John Osborn, Nellie Morgan, Macon; L. H. Gaunt, Macon, Opal A. Walters, Excello; James G. Cook, Callao, Blanche Beatty, Kirksville.

not been in best of health for several years but his condition did not become so bad until just recently.

Chillicothe is after the dogs which are said to be a nuisance there.

The city is getting ready to contest the county's title to the old cemetery in the southwest part of Chillicothe. If the city can get the property it will make it into a public playground.

Your Wife's Work

is just as trying and important as your own and perhaps more tedious—but is her strength as great? Women who are nervous and fretful and easily fatigued promptly gain strength and natural energy by taking Scott's Emulsion after meals because it is essentially nourishment—not a drug that stupefies or alcohol that stimulates—there is pure, rich medical nourishment in every drop which nature appropriates to enrich the blood and rebuild the latent forces of the body.

Probably nothing is more popular with physicians for just such conditions than Scott's Emulsion.

Avoid substitutes called "wines", "extracts" or "active principles"—they are not cod liver oil.

Insist on the genuine Scott's Emulsion.

AT ANY DRUG STORE.

SALINE

Slater is expecting an answer to the water question within ten days. The C. & A. officials say they will be ready to give their answer on their proposition soon.

Ambrose Stewart at the age of 76 years died at the home of his sister at Nelson, March 24, of cancer. Two children survive.

William Uphous and Miss Pinke Hubbard of Malta Bend were married at Marshall March 28 by Rev. A. R. Farris of the M. E. church. The groom is a farmer living near Waverly where they will make their future home.

Harry Reed has bought a half interest in the plumbing business at Slater of L. D. Hill who retires because of ill health.

Fred A. Lain of Tulsa, Okla., and Miss Pauline Forbes of the same place were married at Tulsa, March 24. They will live at Muskogee.

The large barn belonging to G. Amsbury near Slater was destroyed by fire March 28, the flames caused by lightning during a storm. A large number of farm implements and other articles were destroyed. Partial insurance.

Mrs. Emily Mikels, aged 78 years, died at her home in the southern part of the county Sunday, March 29, of cancer. The burial was in the cemetery in Salt Springs cemetery.

John W. Toohey the three-day old infant of Mr. and Mrs. W. D. Toohey died Saturday morning March 28. The burial was in the city cemetery at Slater the same afternoon.

RANDOLPH

Mr. and Mrs. Hugh Hinton are entertaining a daughter that arrived at their home in Huntsville Thursday of last week. The young lady weighed in at 10 lbs.

Francis Barron and Mrs. Ethel Mann, both of Higbee were licensed at Moberly March 26.

G. C. Love, now employed by the Burlington at Hannibal and formerly a resident of Moberly, was married to Miss Ruby Brockman of Huntsville by Rev. Henson at Moberly Thursday, March 26.

Dr. N. M. Baskett, formerly editor of the Monitor arrived at Moberly last week from Salem, where he has been living for the past year. He is enjoying good health and is the guest of friends.

Mrs. Caroline O'Neal a widow, formerly residing at Moberly, died at Pasadena, Calif., April 1. The remains were brought to Moberly for interment.

Mrs. Mary R. Taylor died at her home in Huntsville April 1 at the age of 83 years. She had been ill for several weeks. She was an aunt of Mrs. A. D. Van Treese of Moberly.

The Eight-Mile road district has secured a big traction engine and have decided to try it in pulling two ten-foot graders. If it works properly, the district will buy the machine and use it permanently.

At the Baptist parsonage at Moberly April 1, occurred the marriage of A. B. Wolking of Sturgeon and Miss Sadie Harris of Moberly. The minister was Rev. Miller.

The funeral service for the late Forrest Truby was held at the Christian church at Renick and the remains were brought to Moberly for interment in Oakland cemetery last Wednesday.

The pupils of the public school at Mendon issued this week's issue of the Constitution.

LINN

A. D. Carter the proprietor of the Bucklin Auto Supply Co. went to Kansas City and was married last week to Miss Emma Brown formerly of Triplett. They are living at Bucklin.

Rev. J. G. Baker was re-elected pastor of the Baptist church at Purdin where he closed a successful revival. He also is pastor of the church at Linneus.

Jesse Peery, colored, was tried and convicted of petit larceny in Justice Bowyer's court last week and fined \$1000.

Roy Churchill and Miss Francis Carr were married at the M. E. church parsonage at Brookfield March 29, Rev. Reed officiating. They are residing on the groom's farm near Brookfield.

At the county meeting of the M. W. A. the delegates selected to the Sedalia meeting were Dr. F. W. Burke of Laclede and E. M. Lomax of Brookfield. Linneus, Laclede, Marceline, Brown, Brookfield and Bucklin camps were represented.

A baby was born to Mr. and Mrs. George DuFoe at Billings, Montana, March 26. Mrs. DuFoe was a former resident of Brookfield.

Edward Levi, infant son of C. C. Nehr died in K. C. March 27 being a little more than a year old. The burial was at Brookfield.

Hazel E. Stufflebean aged 9 months died March 28 at the home of the parents, Mr. and Mrs. Albert L. Stufflebean. The funeral was from the United Brethren church Sunday, Rev. Tudor officiating.

Marriage licenses were issued by the Recorder's office as follows, the past week: N. J. Ludium, St. Catherine, and Ella Pearl Wine, Brookfield; Roy L. Churchill and Francis, J. Carr, Brookfield; Ralph L. Westell and Bernice I. Goodspeed, Knoxville, Ia.; Jesse Woodside and Leanna Jenkins, Purdin.

HOWARD

Mrs. Stewart B. Tipton, daughter of Mr. and Mrs. James Rains died at the home east of Fayette April 2 at the age of 22 years. Peritonitis was the cause of death. She leaves husband and a son.

Mrs. W. J. Blakey died at the Woodland hospital at Moberly March 29 after having the second operation performed for relief from cancer. Her husband and two sons are left to mourn her death.

Mrs. R. L. Chancellor of Fayette made \$350 last year from her poultry. She had in addition more than a hundred frying chickens for her own use and all the eggs she needed.

After a month search the body of Ernest Heying who was drowned while trying to cross the Missouri river at Glasgow was found March 30 by Tony Heying, the boy's father. The funeral was at Glasgow the following Wednesday.

The county highway commissioners have spent \$500 the last six months on dragging 81 miles of road.

The teachers and school boards of this county met at Fayette March 28 for a one day session.

W. L. Barnard of the state food and drug department was making inspection at Fayette last week and remained two days. He gave some of the merchants some valuable advice.

As soon as the roads begin to dry the local trade will pick up, much to the satisfaction of the business men.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Modern Hen House

George Applegate has completed on the big timber pasture back of the Applegate home a big, modern chicken house with runs for the two kinds of birds he is raising. The house is about 75 feet long and 16 feet deep. It has two separate compartments, one for Plymouth Rocks and the other White Leghorns. Mr. Applegate explains this by saying that the taste of his wife runs to the Leghorns and he is desirous of raising some of the Rocks. The roof of the house is covered with a specially prepared waterproofed roofing and the movable roosts and feed troughs are arranged with all regard to modern ideas in the matter of poultry raising. Two long runways are being built for the two varieties, there being about 125 of these at present, old birds. Mr. Applegate has an incubator and brooder a special separate house for setting hens and another yard for the chicks. His first crop of chicks was not quite so heavy as he hoped for and he is "setting" the incubator for the second try at it. He said he was getting 80 eggs daily from his hens the latter part of last week.

Circumspection

The superintendent of the public schools at New Franklin, W. McWilliams, addressed the teachers of the county at Fayette Saturday a week ago. He decried the use of split skirts and kindred phenomena for teachers and advised that they walk circumspectly before the young they taught. He also favored the retention of old teachers as long as their service is efficient and thinks that the scale of wages should advance with age and proficiency.

W. D. Vaughan went to Dover, Mo. Thursday on account of the death and burial of his brother-in-law who died at Kansas City and was buried Friday at Dover.

MAKES RHEUMATISM PROMPTLY DISAPPEAR

Chronic, Crippled-up Sufferers Find Relief After Few Doses of New Remedy are Taken

It is needless to suffer any longer with rheumatism, and be all crippled up, and bent-out of shape with its heart-wrenching pains, when you can surely avoid it.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood, the poisonous waste matter and uric acid; and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Crozone, does this because it neutralizes and dissolves all the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter all the poisons from the blood and drive it on and out of the system.

Crozone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.

An original package of Crozone costs but a trifle at any first-class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is often all that is ever needed to cure the worst backache or overcome urinary disorders.

Spraying For Scab

Now is the time to spray for apple scab. The season is coming along so fast that in Southern Missouri the cluster buds—containing the true flower buds—are beginning to start. If the present weather holds these cluster buds will be open in a few days and in just the proper condition for spraying.

Use either commercial lime-sulphur, 3 gallons to 100 gallons of water, or Bordeaux mixture, 4-4-50, says the State Fruit Experiment Station at Mountain Grove, Missouri but do not under any circumstances omit this important spray.

For Bordeaux dissolve the lime and bluestone for stock solutions separately in barrels—never in cans or metal tanks. Do not mix these solutions until just before they are to be used. They should be diluted some what before they are mixed but can be diluted just at the time they are mixed by pouring them, both at the same time, into spray tank nearly full of water with the agitator going.

After the mixing is complete the rest of the water can be added. This method will give a much better Bordeaux than can be obtained by mixing strong solutions and diluting afterward.

In applying the scab spray it is necessary of course to cover the whole tree, every twig of it. It is advisable also to cover the ground immediately under it to prevent the spread of the disease from dead scabby leaves of last year, still lying on the ground.

If there is danger of spring canker worm or bud moth add 2 pounds of dry arsenate of lead or 4 pounds of the paste lead to 100 gallons of mixture.

If you want help in planning a spray schedule or directions for applying sprays, write to the State Fruit Experiment Station at Mountain Grove, Missouri. Their services are free and they are anxious to give you all the help they can.

Hoaxed the Doctor

Dr. Singleton lived in Shelbyna. The Shelbyna paper on April 1 printed a fine story of big improvements at Shelbyna—the Burlington was to make it a division headquarter, a big factory was coming, land was on the boom and property doubling in value. Dr. Singleton owns property there and when he read this he was jubilant. He saw his house and other property swelling in value. He did not read more. He handed the har-binger of luck and fortune to a friend to read. The friend read and in the last paragraph saw that the article was printed on April 1. The curtain was rung down and smelling salts brought to the physician. To make it worse, the Chillicothe Tribune, under date of April 3 print the hoax as a true story. The reporter also evidently forgot to read the last paragraph.

An Equine Scarecrow

A prosperous farmer, who had gained the reputation of being exceedingly stingy, owned an old horse which was very thin and as if to make up for the lack of flesh on its body, the animal had an abnormally large head.

One day the farmer went to the expense of a new collar for the animal, but a very few minutes after the delivery of the collar he was back at the saddle's with it.

"Don't you know nuthin'?" he blurted out. "You've made it too small. I can't get it over his head!"

"Over his head?" said the saddler. "Man alive, it wasn't made to go over his head. Back him into it!"

Howard Leusly of Huntsville went to St. Louis last week and took the examination for admission to West Point where he was appointed by Congressman Rucker. He underwent a four-days' test.
